Using the decision making model, write a summary of your post-secondary goals and plans.

- Name post-secondary plans and goals
- Include courses you may need in high school to meet these goals
- Identify any additional requirements you have learned about today to prepare yourself.

This image shows a single sheet of white paper with horizontal blue ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.
